ADITYA KOKATE

MERN STACK DEVELOPER

Motivated and detail-oriented MERN Stack Developer with practical experience in building dynamic and responsive web applications using MongoDB, Express.js, React.js, and Node.js. Currently enhancing my development skills through the CCBP 4.0 program by NxtWave and hands-on internships at Acmegrade and Prodigy Infotech. I thrive in collaborative environments, enjoy solving real-world problems through code, and am committed to writing clean, efficient, and scalable applications.
